

REMARKS

Applicant thanks Examiner for the telephone interview on October 13, 2005, in which the Examiner indicated that item 4) in the Office Action Summary should read: "Claim(s) 1-13 is/are pending in the application," and that item 1.b. of the Detailed Action should read: "Species II: The control valve arrangement of Fig. 3."

The following Remarks are submitted in response to the Office Action dated October 5, 2005, in which the Examiner issued an Election Requirement.

Accordingly, Applicant hereby elects Species I and identifies claims 1-7 and 11-13 as readable thereon. Applicant's election is made without traverse, but with the understanding that Applicant "will be entitled to consideration of claims to additional species which are written in dependent form or otherwise include all the limitations of an allowed generic claim as provided by 37 CFR 1.141." (Office Action, p. 2)

Amendments to claim 1 are made for conformity with U.S. practice and introduce no new matter.

Applicant believes no fees are due in connection with this Amendment and Response. If any fees are deemed necessary, please charge them to Deposit Account No. 13-0235.

Respectfully submitted,

By
